## Orthopedic Associates Welcomes Physical Medicine and Rehabilitation Doctor

Jason Jackson is a physiatrist with a special interest in treating patients with acute pain and musculoskeletal disorders. Dr. Jackson completed his residency in Physical Medicine and Rehabilitation at University of Minnesota. The focus of Dr. Jackson's training has been on electro diagnostics and interventional spine procedures.

Dr. Jackson received his medical degree from University of Oklahoma College of Medicine and a MBA from Oklahoma Christian University. Dr. Jackson believes firmly in a comprehensive approach to treating patients and will provide an additional component to Orthopedic Associates comprehensive medical practice.

Orthopedic Associates is pleased to have Dr. Jackson and welcomes him as a part of the OA team!

*Dr. Jackson accepts major insurance plans and Workers' Compensation. For an APPOINTMENT, please call 405 947-0911*
